

## Remember Me

Remember me when flowers bloom  
Early in the spring  
Remember me on sunny days  
In the fun that summer brings  
Remember me in the fall  
As you walk through the fields of gold  
And in the wintertime - remember me  
In stories that are told  
But most of all remember  
Each day - right from the start  
I will be forever near  
For I live within your heart
